Maryam Rostampour and Marziyeh Amirizadeh knew they were putting their lives on the line. Islamic laws in Iran forbade them from sharing their Christian beliefs, but in three years, they 'd covertly put New Testaments into the hands of twenty thousand of their countrymen and started two secret house churches. In 2009, they were finally arrested and held in the notorious Evin Prison in

Tehran, a place where inmates are routinely tortured and executions are commonplace. In the face of ruthless interrogations, persecution, and a death sentence, Maryam and Marziyeh chose to take the radical—and dangerous—step of sharing their faith inside the very walls of the government stronghold that was meant to silence them. In *Captive in Iran*, two courageous Iranian women recount how God used their 259 days in Evin Prison to shine His light into one of the world's darkest places, giving hope to those who had lost everything and showing love to those in despair.

The authors describe their harrowing experience being

Iran's Organization for the Mobilization of the Oppressed (Sazeman-e Basij-e Mostazafan), commonly known as the Basij, is a paramilitary organization used by the regime to suppress dissidents, vote as a bloc, and indoctrinate Iranian citizens. Captive Society surveys the Basij's history, structure, and sociology, as well as its influence on Iranian society, its economy, and its educational system. Saied Golkar's account draws not only on published materials—including Basij and Revolutionary Guard publications, allied websites, and blogs—but also on his own informal

Farrokhzad, who defied society's expectations to find her voice and her destiny. "Remember the flight, for the bird is mortal." All through her childhood in Tehran, Forugh Farrokhzad is told that Persian daughters should be quiet and modest. She is taught only to obey, but she always finds ways to rebel, gossiping with her sister among the fragrant roses of her mother's walled garden, venturing to the forbidden rooftop to roughhouse with her three brothers, writing poems to impress her strict, disapproving father, and sneaking out to flirt with a teenage paramour over café glacé. During the summer of 1950, Forugh's passion for poetry takes flight, and tradition seeks to clip her wings. Forced into a suffocating marriage,

Forugh runs away and falls into an affair that fuels her desire to write and to achieve freedom and independence. Forugh's poems are considered both scandalous and brilliant; she is heralded by some as a national treasure, vilified by others as a demon influenced by the West. She perseveres, finding love with a notorious filmmaker and living by her own rules, at enormous cost. But the power of her writing only grows stronger amid the upheaval of the Iranian revolution. Inspired by Forugh Farrokhzad's verse, letters, films, and interviews, and including original translations of her poems, this haunting novel uses the lens of fiction to capture the tenacity, spirit, and conflicting desires of a brave woman who represents the

chief Jason Rezaian was arrested by Iranian police, accused of spying for America. The charges were absurd. Rezaian ' s reporting was a mix of human interest stories and political analysis. He had even served as a guide for Anthony Bourdain ' s Parts Unknown. Initially, Rezaian thought the whole thing was a terrible misunderstanding, but soon realized that it was much more dire as it became an eighteen-month prison stint with impossibly high diplomatic stakes. While in prison, Rezaian had tireless advocates working on his behalf. His brother lobbied political heavyweights including John Kerry and Barack Obama and started a social media campaign—#FreeJason—while

Jason ' s wife navigated the red tape of the Iranian security apparatus, all while the courts used Rezaian as a bargaining chip in negotiations for the Iran nuclear deal. In *Prisoner*, Rezaian writes of his exhausting interrogations and farcical trial. He also reflects on his idyllic childhood in Northern California and his bond with his Iranian father, a rug merchant; how his teacher Christopher Hitchens inspired him to pursue journalism; and his life-changing decision to move to Tehran, where his career took off and he met his wife. Written with wit, humor, and grace, *Prisoner* brings to life a fascinating, maddening culture in all its complexity. “ An important story. complex and egregiously misunderstood country with two very different faces. There is no better time to know more about Iran—and Jason Rezaian has seen both of those faces. ” — Anthony Bourdain “ Jason paid a deep price in defense of journalism and his story proves that not everyone who defends freedom carries a gun, some carry a pen. ” —John F.
