I usually use the Google Maps app to get the direction on my journey, and it's very useful. But in the case, my phone is out of battery, and I get lost in a town or a city, I think I'll ask the locals first. They'll take me some directions to reach my destination. Occasionally, normal passerby people can give me vague information. But to be ...

At the corner of the road you will see red building. Just around the corner is my house you will need to stop quickly or you will miss it.. Go straight on at the traffic lights.. turn right at the crossroads.. Follow the signposts for Manchester.. Giving directions conversation. When giving directions to someone it is best to use short basic English sentences.

Giving directions in English lesson

Even today, we can often find ourselves lost in an unknown city asking for directions. It is also increasingly common for tourists to stop us on the street because they are looking for a restaurant or archaeological site. After all, it is possible for your phone to stop working or for the battery to run out earlier than expected. Then there are those who prefer to talk to passers-by, partly ...
