glamorous, scheming Blackwell family and its unforgettable matriarch, Kate Blackwell, in his worldwide bestseller *Master of the Game*. Now a generation has passed, and as the world has changed, so too has America's own royal family. Yet the intervening years have not lessened the Blackwells' drama or talent for manipulation, domination, and passion. Though Kate is long gone, the children of her beloved granddaughters, Eve and Alexandra, battle to carry on her powerful legacy. Each is determined to control Kruger-Brent, Ltd., the multibillion-dollar international corporation with holdings in diverse industries around the globe. But only one can reign supreme. . . . Lexi Templeton is a ruthless competitor with the brains and beauty to match. Raised by her psychiatrist father, Lexi burns to follow in her great-grandmother's footsteps and become her own Mistress of the Game. She is not alone in her ambitions. Her handsome and nefarious cousin, Max Webster, the son of Eve, will stop at nothing to own the prize of Kruger-Brent. Driven by hatred, jealousy, and blinding devotion to his bitter and twisted mother, he will seduce, betray, and even kill to succeed.
