A full season will pass before they meet again--if they meet again. Raistlin has made an ominous prediction, one that implies not all of the Companions will survive the fight. Primed for a battle between good and evil, Raistlin, the corrupt mage, returns to the Dragonlance series, along with a new generation of characters, the inheritors of the fabled Heroes of the Lance. Reissue.

Adapts the second novel in the Dragonlance Chronicles Trilogy by Margaret Weis and Tracy Hickman. Krynn was once a peaceful world, where the native races managed to coexist, if only through tolerating one another. That time is gone. The friendship that helped win the first real battle against the force of darkness is now split, torn apart by conflict, and a long, bitter winter will pass before they are reunited. But, the dragon armies of the evil goddess Takhisis are leaving a trail of devastation across the land and a small group of companions is the only thing that stands against her. Collects the four-issue series.

Dragons from the distant past gather to engulf the world of Krynn in war.

Tanis Half-Elven... Flint Fireforge... Tasslehoff Burfoot... the classic Dragonlance characters are back! Picking up where the first book of the classic Dragonlance Chronicles left off, this tale follows the Companions of the Lance on their adventures following the rescue of the refugees of Pax Tharkas. Flint and Tanis Half-Elven travel to the dwarven kingdom of Thorbardin, while the rest of the Companions confront challenges of their own.

The Chronicles retold--from evil's point of view. The story starts in Neraka, where Kitiara uth Matar and Emperor Ariakas hatch a plan to retrieve a dragon orb and thereby destroy Solamnia and the Companions in one fell swoop. But the guardian of the dragon orb, Highlord Feal-Thas, disagrees with this plan. Kitiara must go to Ice Wall to force him to accept Ariakas' will, but her journey does not end there. Thrown out of favor, she conceives a daring plan to enlist the aid of the most feared beings on Krynn--Lord Soth and the Dark Queen. Meanwhile, Laurana and the Companions retrieve the dragon orb and take it back to Solamnia--not knowing that they bring their allies' doom with them. The second volume of a new trilogy from celebrated authors Margaret Weis and Tracy Hickman, The Lost Chronicles details the famed War of the Lance from the perspective of the evil that menaces Krynn. The books are written in such a way that they will be marvelous complements to the original Chronicles, while at the same time accessible and exciting to new readers. From the Paperback edition.

When dragons invade the land, a small band of heroes, including a knight, barbarian, dwarf, and half-elf, begin the search for the magical Dragon Orb and Dragonlance.
