Winterlands 1 Barbara Hambly*

Dragonsbane is a fantasy book written by the underrated Barbara Hambly. It covers about 3 to 4 days for most of the book, and the magic in them comes from witches. But the real magician here is the author. She spins her yarn patiently, letting us wait until the things that are simmering come to a boil.

Condemned to die for consorting with demo.
The novels of New York Times bestselling author Barbara Hambly have broken new ground in the realm of fantasy. With a sweeping cast of characters whose powers are both awesome and heartachingly limited, the Dragon series is built around the touching relationship between a husband and wife separated by a flood of violence and chaos.
