It's a surprising, sparkling summer for Willa! It's August on Cape Cod and Willa has a lot to look forward to. Soon, JFK will return home from baseball camp, and Willa has an idea for an exciting new project that will challenge her to dream big! But life throws Willa some unexpected twists and turns: Ruby has bad news, a beloved friend leaves, a dear friend returns, her brother Will has something he doesn't want to talk about, and of course, there's a wedding to plan! There's also a cute boy who likes Willa ... a lot, and Willa thinks she might like him too. It's a summer full of romance and surprises!

As her freshman year nears an end, fourteen-year-old Willa finds herself helping plan two weddings, auditioning for "Our Town," organizing a book drive, fighting jealousy over her boyfriend's beautiful new friend, and preparing to become a big sister.

Desperately wanting to have a father in her life, twelve-year-old Willa finds the perfect match for her hardworking mother via her handsome English teacher, but when it appears to Willa that her mother is moving too slow for her own good, Willa decides to take action into her own hands in order to make the necessary magic happen.

A woman who wants nothing to do with love or friendship finds both in the unlikeliest ways in this hilarious and heartwarming debut by Kerry Rea. Once upon a time, Willa Callister was a successful blogger with a good credit score, actual hobbies, and legs that she shaved more than once a month. But after finding her fiancé in bed with her best friend, she now spends her days performing at children's birthday parties in a ball gown that makes her look like a walking bottle of Pepto Bismol. Willa dreams of starting fresh, where no one knows who she used to be, but first she needs to save up enough money to make it happen. Maisie Mitchell needs something too: another bridesmaid for her wedding. After a chance encounter at a coffee shop, Maisie offers to pay Willa to be in her bridal party. Willa wants nothing to do with weddings—or Maisie—but the money will give her the freedom to start the new life she so badly desires. Willa's bridesmaid duties thrust her into Maisie's high-energy world and into the path of hotshot doctor Liam Rafferty. But as Willa and Maisie form a real friendship, and Liam's annoyingly irresistible smile makes her reconsider her mantra that all men are trash, Willa's exit strategy becomes way more complicated. And when a secret from Maisie's past threatens to derail the wedding, Willa must consider whether friendship—and romance—are worth sticking around for.

Willa returns in this new stand-alone novel in the WEDDING PLANNER'S DAUGHTER series. Willa returns in this new adventure for the tween set! It is summer on Cape Cod, where Willa Havisham and Joey Kennelly are enjoying their status as most compatible couple. What does the summer hold? New friends, more books, lazy afternoons, and of course Willa will be busy planning more weddings with her mother, Stella Havisham, the Cape's most famous wedding planner to date!

It's a sparkling, magical summer for Willa! It's July on Cape Cod, and Willa Havisham isn't so happy about her boyfriend, JFK, being away all summer at baseball training camp. With best-friend Tina and Ruby edging her out lately, Willa wonders what the summer will bring. It turns out there are plenty of surprises in store! For one, there's been a mermaid sighting. There's also a boy named Will who claims to be her long-lost brother. He shares Willa's sea-blue eyes, but Willa wonders what secrets he's hiding and what this news will mean for her famous wedding planner mother. It's going to be a summer filled with fireworks for sure!

Willa Havisham is a firm believer in Cupid and the goosebumps and heart-thumps of his lightning bolts from the blue! But now two of her biggest loves have got her in a swizzle. First Willa learns that her beloved Bramble library is about to be shut down, and then it looks like JFK, Willa's heart's desire, has fallen for someone else. Maybe Cupid isn't as dependable as Willa first thought. . . . ? A fun, frothy confection that made me laugh out loud! Meg Cabot, author of THE PRINCESS DIARIES

Revisit the seventh novel in bestselling author Sheila Roberts 's adored Life in Icicle Falls series. There 's nothing like a wedding! The joy, the fun, the memories—the stress. As a wedding planner, Anne Richardson has seen mothers of the bride turn into Momzillas, and she 's determined not to do that when it 's her daughter 's turn to get married. But once Laney gets engaged, all bets are off. Anne becomes obsessed with giving Laney the perfect wedding she herself never had. And that wedding needs to be held in Icicle Falls at Primrose Haus, the perfect setting. Roberta Gilbert, owner of Primrose Haus, has been hosting events at her charming Victorian for thirty years. She 's an expert on weddings, but not on mother-daughter relations. When her daughter, Daphne, comes home and decides to help with the business, the receptions become truly memorable—and not in a good way. Then there 's the added complication of Roberta 's gardener, who seems more interested in Daphne than he is in planting primroses... Tying the knot is a business that has everyone tied up in knots!
