A right of way contained in a deed generally remains exactly as it is written. It is technically possible for a right of way to be extinguished because it has been abandoned. However, this is an extremely hard case to make. A right of way can be varied with the agreement of the person who has the benefit of it (i.e. the neighbours).

Removing a right of way is a complicated matter, as it depends on a number of factors. It is very difficult for a right of way to be removed, without the consent of those benefiting from it. If you wish to pursue a claim for a right of way to be revoked due to lack of use, then this can be very difficult.

The LEFT function is perfect for extracting characters starting from the left side of a text string.

We use LEFT in this formula to extract all characters up to the number of characters we want to trim. The challenge, for values with variable length, is that we don't know exactly how many characters to extract.
