The Importance of Being Earnest Quizzes | GradeSaver

Both couples embrace, as do Chasuble and Miss Prism, and Jack declares that he finally realizes the importance of being earnest. Analysis. Act III offers happy resolution to the problems of identity and marriage that drive much of the humor in the previous acts. Wilde continues to mock the social customs and attitudes of the aristocratic class.

The Importance of Being Earnest - CliffsNotes

Algernon Moncrieff prepares for the arrival of his aunt, Lady Bracknell, and her daughter, Gwendolen, in his stylish London flat in 1895. His butler, Lane, brings in 'Ernest Worthing' (who is listed as 'John Worthing' in the cast list and 'Jack' in the body of the play, although both Lane and Algernon believe his name is Ernest), who has just returned from the country.

The Importance of Being Earnest Summary | GradeSaver

Lane 's comment juxtaposes Algernon 's lavish bachelor lifestyle, characterized by the overconsumption of champagne and cucumber sandwiches, against the more conservative lifestyle of a married couple.

Oscar Wilde wrote The Importance of Being Earnest in 1894. The play is a farcical comedy that satirizes the social constructs of the late Victorian Era. The Importance of Being Earnest premiered on...

Wilde's witty and buoyant comedy of manners, filled with some of literature's most famous epigrams, reprinted from an authoritative British edition. Considered Wilde's most perfect work.

Oscar Wilde created his final and most lasting play, comic masterpieces of all time, THE IMPORTANCE OF BEING EARNEST, in 1895. Considered one of the greatest THE IMPORTANCE OF BEING EARNEST is a farce, playing with love, religion, and truth as it tells the tale of two men, Jack Worthing and Algernon Moncrieff, who bend the truth in order to add excitement to their lives. Jack invents an imaginary brother, Ernest, whom he uses as an excuse to escape from his dull country home and gallavant in town. Meanwhile, Algernon follows Jack's scam, but his imaginary friend, Bumbury, provides a convenient method of adventuring in the country. However, their deceptions eventually cross paths, resulting in a series of crises that threaten to spoil their romantic pursuits. Hailed as the first modern comedy in England, THE IMPORTANCE OF BEING EARNEST is Wilde's most famous work. This collection also features two other plays that Wilde penned earlier in his career, LADY WINDERMERE'S FAN and AN IDEAL HUSBAND, that also display his ability to convey warmth and wit through his hilarious characters and their outlandish situations.

"Here is Oscar Wilde's most brilliant tour de force, a witty and buoyant comedy of manners that has delighted millions in countless productions since its first performance in London's St. James' Theatre on February 14, 1895. The Importance of Being Earnest is celebrated not only for the lighthearted ingenuity of its plot, but for its inspired dialogue, rich with scintillating epigrams still savored by all who enjoy artful conversation.From the play's effervescent beginnings in Algernon Moncrieff's London flat to its hilarious denouement in the drawing room of Jack Worthing's country manor in Hertfordshire, this comic masterpiece keeps audiences breathlessly anticipating a new bon mot or a fresh twist of plot moment to moment."

Insight Study Guides are written by experts and cover a range of popular literature, plays and films. Designed to provide insight and an overview about each text for students and teachers, these guides endeavor to develop knowledge and understanding rather than just provide answers and summaries.

This edition of Oscar Wilde's The Importance of Being Earnest locates his writings within the broader cultural concerns of his day and examines Wilde's aestheticism, his sexual politics, his socialist ideas, and his allegiances to Irish nationalism.

Beautiful, aristocratic, an adored wife and young mother, Lady Windermere is 'a fascinating puritan' whose severe moral code leads her to the brink of social suicide. The only one who can save her is the mysterious Mrs Erylne whose scandalous relationship with Lord Windermere has prompted her fatal impulse. And Mrs Erylne has a secret - a secret Lady Windermere must never know *if* she is to retain her peace of mind.

Seminar paper from the year 2010 in the subject English - Literature, Works, grade: 2,3, University of Koblenz-Landau (Anglistik), language: English, abstract: It is impossible to imagine living without irony in our everyday life. Irony as a form of "linguistic indirectness" has become a phenomenon in recent years. It is used by, no matter what age or social group in our speaking, writing and literature. The term "irony" derives etymologically from the Greek word "eironeia" and actually means "adjustment," "escape," or especially "lack of seriousness." But another significant element is being added, which is "making fun of someone." So if you call someone a hero, who just ran away from something harmless, you do not mean it literally, you indirectly try to express the opposite. Actually you would have said, that he is a total coward. But exactly that is what makes a definition of the term "irony" so difficult, because it is not always exactly the opposite when you are ironic, sometimes it just means something else. If we now start from this explanation of the term, you could assume that something ironic is almost a lie, as someone who uses irony wants to express something else than he actually says. It is not a lie because when you lie you try your best nobody realizes your being untrue. When someone is ironic, the intention is to let the other person notice this. Thus irony is transparent where a lie is, at least, opaque. The second major difference is the intention to deceive which is constitutive for the lie, but not when you use irony. You also can not compare irony with mockery; mockery always tries to hurt someone directly, irony in contrast always is detached and uses some kind of adjustment. In this work I will try to define irony and try to find and analyze some of the ironic passages from Oscar Wilde's comedy "The Importance of Being Earnest." The eccentric Oscar Wilde, who lived from 1854 until 1900 was one of the leading representatives of the aesthe
