In Birmania gira una battuta popolare, secondo cui Orwell non scrisse soltanto un romanzo sul Paese, Giorni birmani, ma un'intera trilogia, completata da La fattoria degli animali e 1984. La connessione della Birmania (oggi chiamata Myanmar) con George Orwell non è metaforica, ma profonda e reale: sua madre era nata in Birmania al culmine del raj britannico e la nonna viveva ancora lì quando lui decise di arruolarsi. Alla scomparsa di Orwell, il romanzo in stesura trovato sulla sua scrivania era ambientato in Birmania. In un intrepido diario di viaggio dal taglio politico e biografico, Emma Larkin guida il lettore alla scoperta dei luoghi dove Orwell ha vissuto e lavorato come agente della Polizia imperiale britannica, vivendo esperienze che condizionarono profondamente la sua visione del mondo. Attraversando Mandalay e Yangon, le isolate aree meridionali del Delta dell'Irrawaddy e le montagne del nord dove gli inglesi andavano in villeggiatura per sfuggire al caldo delle pianure, l'autrice ritrae una Birmania appassionante e struggente. Prima colonizzata e in seguito governata da una giunta militare isolazionista e brutale, la nazione ha visto la propria storia e identità cancellate a più riprese da metodi di governo orwelliani, che hanno soppresso libertà d'espressione e pensiero. Ispirata dalla chiarezza morale e dal rifiuto dell'ingiustizia di Orwell, l'autrice incontra persone che hanno trovato un modo di resistere agli effetti annientatori di uno dei più crudeli Stati di polizia, restituendo loro dignità. Questo libro è una chiave per riscoprire Orwell, appassionarsi alla Birmania e trovare gli strumenti per capire il travagliato e contraddittorio processo di democratizzazione in corso.

Investment in capital, both physical and financial, and innovation in its uses are often considered the linchpin of modern economic growth, while credit and credit markets now seem to determine the wealth - as well as the fate - of nations. Yet was it always thus? The Roman economy was large, complex, and sophisticated, but in terms of its structural properties did it look anything like the economies we know and are familiar with today? Through consideration of the allocation and uses of capital and credit and the role of innovation in the Roman world, the individual essays comprising this volume go straight to the heart of the matter, exploring such questions as how capital in its various forms was generated, allocated, and employed in the Roman economy; whether the Romans had markets for capital goods and credit; and whether investment in capital led to innovation and productivity growth. Their authors consider multiple aspects of capital use in agriculture, water management, trade, and urban production, and of credit provision, finance, and human capital, covering different periods of Roman history and ranging geographically across Italy and elsewhere in the Roman world. Utilizing many different types of written and archaeological evidence, and employing a range of modern theoretical perspectives and methodologies, the contributors, an expert international team of historians and archaeologists, have produced the first book-length contribution to focus exclusively on (physical and financial) capital in the Roman world; a volume that is aimed not only at specialists in the field, but also at economic historians and archaeologists specializing in other periods and places.

The Essential 25000 English-Italian Law Dictionary is a great resource anywhere you go; it is an easy tool that has just the words you want and need! The entire dictionary is an alphabetical list of Law words with definitions. This eBook is an easy-to-understand guide to Law terms for anyone anyways at any time. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed or frustrated. From science fiction to fantasy, to crime and thrillers, Short Stories in Italian for Beginners will make learning Italian easy and enjoyable.

Now comes with a free companion audio app that allows readers to scan the pages to hear words spoken in both Italian and English. Newly revised and updated, the Italian-English Bilingual Visual Dictionary is a quick and intuitive way to learn and recall everyday words in Italian. Introducing a range of useful current vocabulary in thematic order, this dictionary uses full-color photographs and artworks to display and label all the elements of everyday life-from the home and office to sport, music, nature, and the countries of the world-with panel features on key nouns, verbs, and useful phrases. The Italian-English Bilingual Visual Dictionary features: + A quick and intuitive way to learn and remember thousands of words. + A complete range of illustrated objects and scenes from everyday life. + Fast and effective learning for any situation, from home and office to shopping and dining out. + Detailed index for instant reference. The illustrations provide a quick and intuitive route to learning a language, defining the words visually so it is easier to remember them and creating a colorful and stimulating learning resource for the foreign-language and EFL/ESL student.

Children of the Mists is a story of enduring love. Set in the 1800s, life on Sardinia had barely changed since the time of the Caesars. Two families, the Sannas and the Canus, are united by friendship and honour; love and laughter; joy and promises; omens and superstitions; youth and experience transcend generations. However, for Raffaella and Antonio, their passionate love becomes entangled with revenge. Death changes devotion. Promises are forgotten. Vendettas cannot be ignored. Ambition clouds judgments. Antonio and Raffaella were promised to each other, nothing would keep them apart, not even family. Committed to each other, they fight for their love against all odds... Children of the Mists is a gripping journey back in time that will make the perfect addition to any romance lover's collection.
