A flexible, ready-to-use activities program to help special students in grades 6-12 The updated new edition of this valuable resource offers an exciting collection of 200 ready-to-use worksheets to help adolescents build the social skills they need to interact effectively with others and learn how to apply these skills to various real-life settings, situations, and problems. The book provides 20 complete teaching units focusing on 20 basic social skills, such as being a good listener, "reading" other people, and using common sense. Darlene Mannix, MA (La Porte, IN), has 26 years of experience as a classroom teacher and is the bestselling author of numerous books for special educators, including Social Skills Activities for Special Children (978-0-87628-868-9), Life Skills Activities for Special Children (978-0-87628-547-3), Writing Skills Activities for Special Children (978-0-7879-7884-6), and Character Building Activities for Kids (978-0-13-042585-0).

A flexible, ready-to-use program to help special students in gradesK-5 learn appropriate ways to behave among others The revised and updated second edition of this bestselling resourcebook provides ready-to-use lessons--complete with reproducibleworksheets--to help children become aware of acceptable socialbehavior and develop proficiency in acquiring basic social

Acces PDF Life Skills Curriculum For Special Needs

skills. The book is organized around three core areas crucial to social development in the primary grades: Accepting Rules and Authority at School, Relating to Peers, and Developing Positive Social Skills. Each lesson places a specific skill within the context of real-life situations, giving teachers a means to guide students to think about why the social skill is important. The hands-on activity that accompanies each lesson helps students to work through, think about, discuss, and practice the skill in or outside of the classroom.

Life Skills is a teaching and learning tool that facilitates the implementation of the Life Skills learning programme in the foundation phase.
