Maximizing the joy of crossdressing? Do you crossdress from a male to a female? Or is there someone in your life who does? If so, how about taking it up a notch? Increasing the pleasure and the amount of time doing it? This isn't about how to dress or how to become feminine. We have a book on that, and there are plenty of other resources too. This is how to increase your joy in crossdressing as much as possible. Whether you're a woman with a boyfriend or husband whom you want to become feminine-because of what it will do for them or you or your other boyfriend-or whether you're a sole practitioner who loves the hobby and would like to have ideas on how to reap more delight from it, this book can help. A woman who gives this book to a male will be making a statement of how much she loves him and wants him to be her special person. A sole practitioner of this hobby who takes this book to heart will be doing an act of kindness and respect for her inner girl that says, I love who I am when I'm feminized, and I deserve to take care of her. Maximize the joys of being a male-to-female crossdresser and increase the gratification, satisfaction, degree of sensuality, and amount of time you have to enjoy it in this quick but thought-provoking short read. This is a guide that will help feminized men-husbands, boyfriends, sissies, those in female-led relationships, or cuckolded males who are feminized. Give it as a gift for them or buy it as a gift for yourself. Look inside now!

What makes people want to be kinky? Doctors have discovered that they did not come from overly violent homes, nor are they social outcasts that live on the edge of society, they are normal everyday people that have jobs, families, and social responsibilities. The truth is that some of us are gifted with a desire for the mystery and control of kink while others are not. For centuries, kink has been hidden in the deepest closets and become the shame and secret that people hide. We are just now achieving a comfort level with sexuality that allows for people to be more open about their desires without persecution. Let's start with what kink is and is not. Some call it BDSM which simply stands for bondage & dominance and sadism & masochism. The two terms used to be separate and now they are used in unison to describe more accurately the strong connection between the two. Kink is many things to many people to some it is the one outlet that can be used to lose complete control and become an obedient submissive. To others, it is a way to dominate and express appreciation for another through discipline. Some practice kinks on themselves and do not require a partner for arousal. Kink involves many areas of sexual play and is considered an underground subculture that can be a one-time event or a lifestyle. With all of the elements available for a kink enthusiast, it is difficult to know where to get started for a decent drive by education. This book contains a short synopsis of kink but is not a complete education and does not claim to be. Kink is a lifestyle and with all lifestyle choices must be experienced and lived to be fully learned. I can read a book about surviving in the wilderness, but that doesn't mean that I can actually survive.

There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.

This is the story of a man who yearned to be dominated by his beautiful wife and the wife who wanted so much to make her husband's fantasies all come true. Within this exciting and erotic tale you will find domination, cuckolding, chastity, enforced sissyfication, corporal punishment and humiliation. In chapter 1 Sissy Melissa's role is clearly defined and ground rules established for his sexual frustration and humiliation. In chapter 2 Sissy Melissa is allowed to listen in as his wife cuckolds him but there are certain conditions and a high price to pay for the privilege. In chapter 3 Sissy Melissa experiences real punishment over the knees of his beautiful sadistic wife who then allows him a limited and humiliating reward. The story continues in the next book 'The Making Of A Sissy Maid Pt2' by Femdom Fred.

The power, the satisfaction, and the intense rush of domination that goes through your body when your submissive bows to your will cannot be compared to any other thing in this world. This book is every Dom's guide to training a submissive. It contains various guidelines and strategies on how a Dom can get the best of the relationship. As you read through, keep in mind that dominance and submission are simply one part of BDSM. It advances into a wider spectrum which includes sadism, bondage, discipline, and masochism as well. However, the focus of this book is submissive training.

Greg thought it would just be one time. Just "get it all out", then live life normally...One time turned to once a month. Once a month turned to once a week. Once a week turned to every night. He thought he kept his dirty little secret so well. But, they knew the entire time. Word count: 62,000 words Greg awakes to find himself restrained and dolled up. A mysterious female hypnotizer tells Greg his new name is Ashley, and with a whip, he forgets all about his past. Every idea Ashley had of "Greg" vanished into thin air. The latex hypnotist reveals that Ashley is now part of a feminization cult. Sissy maid training soon starts...The Don is the powerful alpha behind the whole transformation cult, clearly

asserting and demonstrating his dominance time and time again. Every lunar eclipse, he chooses one freshly transformed sissy to live in his private mansion. What Don thought would just be another live-in sissy maid, turns out to be more than just that. Ashley... transforms his life for good. Keywords: sissy school girl, sissy maid training, sissy slave, crossdressing, feminization, mental change, gender bender, Author note: This book is a re-release of the five-book series "Forced Feminization Abduction".

Nowadays many people are becoming more and more aware to the concept that not all relationships are the same. What works for some people certainly does not suit others. Love and affection need not be confined to labels and strict definitions, because the spectrum of what constitutes a relationship is broader than many people imagine. The foundation of a great relationship is built on a solid platform comprised of love, trust, respect and above all, communication. But there are so many different ways of expressing these things, and no relationship is "one size fits all." For many people, the phrase "traditional relationship" conjures an image of a subordinate woman, with the man ruling the roost. While this is no longer seen as an absolute standard, it still has resonance with lots of people. And while a large majority of people prefer a more egalitarian approach to relationships, that doesn't work for everyone either. Female led relationships are often misunderstood, but are more common than you might think. In this type of relationship, the woman is the dominant partner and her partner is the willing subordinate. We'll be exploring the dynamics of this type of relationship in this guide, and the various aspects and benefits it has to offer. You may find yourself more intrigued than ever before.

This is the true story of how Alexa Martinez transformed her marriage by feminising her loving husband. The book explains how she took an already wonderful relationship and moved it to a different level by taking control and introducing a reluctant husband to a life of femininity. What began as an exciting bedroom game exploded into a programme of gradual enforced feminisation. The book describes the reasons and beliefs that guided her to take this path and the tactics she had to employ to turn an unknowing and unaware masculine man into a submissive housewife called Alice. Their marriage continues to be loving and affectionate but with Alexa in complete control and with her needs paramount. Although Alice has come to accept her new status as a girl, they haven't yet come out of the closet entirely and so she also write about some of the barriers they continue to face in how she plans overcome them and also how to deepen Alice's feminisation and submission further still. She describes what it is that she expects from a femdom relationship and why she believes that males need to be feminised. Alexa Martinez is a writer who has produced several novels on the topic of femdom and forced feminisation under the pen name of Lady Alexa as well as a blog which covers the weekly life of living in a femdom relationship.
