one's heart.

From the New York Times bestselling author RaeAnne Thayne comes a brand-new novel for fans of Debbie Macomber and Susan Wiggs. RaeAnne Thayne tells the story of an emotional homecoming that brings hope and healing to three generations of women. The life Olivia Harper always dreamed of isn't so dreamy these days. The 16-hour work days are unfulfilling and so are things with her on-again, off-again boyfriend. But when she hears that her estranged mother, Juliet, has been seriously injured, Liv has no choice but to pack up her life and head home to beautiful Cape Sanctuary on the Northern California coast. It's just

for a few months—that's what Liv keeps telling herself. But the closer she gets to Cape Sanctuary, the painful memories start flooding back: Natalie, her vibrant, passionate older sister who downward-spiraled into addiction. The fights with her mother who enabled her sister at every turn. The overdose that took Natalie, leaving her now-teenaged daughter, Caitlin, an orphan. As Liv tries to balance her own needs with those of her injured mother and an obstinate, resentful fifteen-year-old, it becomes clear that all three Harper women have been keeping heartbreaking secrets from one another. And as those secrets are revealed, Liv, Juliet, and Caitlin will see that it's never too late—or too early—to heal family

mechanical projects, becomes friends with a budding artist who is as much of a misfit as she is—and, all the while, has no idea how the Manhattan Project is about to change the world. This book's fresh prose and fascinating subject are like nothing you've read before.

As the owner of one of the world's most elaborate sea glass collections, Mary Beth Beuke gets to talk about these prized ocean gems on a daily basis. Unfortunately, with each passing day, sea glass becomes more and more difficult to find, making the hunt more of a challenge to the seeker—especially one with limited experience in sea glass hunting.

Read Book Sea Gl

There are several reasons why the hunt is so important to the sea glass seeker. Some find their Zen moments in the solitude and beauty of the hunt. Some collect to add color to their life. The history, mystery, and discovery of sea glass are also strong forces that draw collectors to shorelines around the world, looking for these pieces of physically and chemically weathered frosted glass. Whatever your reason for wanting to learn about and start your own collection of sea glass, the window for doing so is closing as pieces are becoming more elusive due to a growth in sea glass popularity and a decrease in recent glass bottle production. In *The Ultimate Guide to Sea Glass*, Beuke provides information that will

Read Book Sea Gl

help first-time seekers start new collections and veteran hunters learn more about their current sets. Beuke shares her experiences in gathering her own collection via photographs of vibrant and rare pieces, as well.

A New York Times Editors' Choice, this epic tale of brotherly love set in a dystopian alternate reality is filled with the magic of Russian folklore. After their father's death, twin brothers Yarik and Dima grew up together on their uncle's farm, spending their days helping fishermen and their nights spellbound by their uncle's stories. Years later, the two men labor at the Oranzheria, a sprawling glass greenhouse and a

Read Book Sea GI

capitalist experiment that keeps the surrounding townspeople in perpetual daylight. Work is now all the twins have in common. Stalwart Yarik is married with children, and oppressed by the burden of responsibility and the pressures of work, while dreamer Dima lives with his mother—and rooster—and spends his time planning the brothers' return to their uncle's land. Then one day a bizarre encounter with the Oranzheria's ruthless owner changes everything. Soon they find themselves at the center of strange conspiracies, disasters, and deceptions that threaten all they know.
