After a night of bad choices Stephen Zagan finds himself waking up face to face with a demon. He is presented with a chance for revenge but it will come at a cost. Follow Stephen as he travels from Hell to Heaven and everywhere in between as he learns what it truly means to sell your soul.

Don't hate me because I'm beautiful... Call me V. I used to be a nobody, just a girl from New Jersey who was probably going to hell anyway -- or worse, mediocrity and a size 14. Now I get whatever I desire just by casting a little spell...a flawless body, a luxury penthouse, and a Fifth Avenue shop where rich women clamor for my overpriced handbags. Even better, I have power. I can taunt my ex-husband, break hearts without guilt, and love every minute of it. My secret? I lost the one thing I never needed in the first place: my soul. I sold it. And you'll never guess who's got it now. She's a devil in disguise. You know her as the dishiest gossip columnist in the city's trashiest tabloid. I call her Lucy. And our deal is this: the more clients I recruit for her Life Enrichment Program, the greater my rewards. But just between us, my fast track to heartless apathy has hit a few speed bumps -- lately, I've had the totally annoying impulse to do things that are...good. First there was rescuing a kid in the park. Then there was the date with the handsome, decent guy who wasn't even a celebrity. What's next, giving to charity or something? All I know is Lucy doesn't like it, not one little bit. And when she finds out, there will be hell to pay...

No matter your circumstances in life, you can build a better and brighter future. Are you truly happy with your life? Facing the answer to this question can be scary, but it is a necessary step to take control of it, change it, and finally make it become the life you deserve and always wanted to have. In *Did You Sell Your Soul? It's Never Too Late to Change Your Story*, author and successful entrepreneur Vick Tipnes shows readers how to overcome obstacles, remain focused, and achieve your life goals. Told in a genuinely honest and upfront manner, the author shares the many setbacks, failures, and heartaches he has had to go through to fulfill his lifelong dreams and become successful in life & business. By analyzing his failures, the author teaches readers how to avoid making the same mistakes and what they need to focus on to reach the success they always envisioned for themselves. By emphasizing the pursuit of happiness as a key component to real success, each chapter highlights important steps entrepreneurs have to take to bring their company from zero to Inc. 5000, paying attention not only to business-related matters, but also to personal life issues, family struggles, and the importance of surrounding yourself with people who believe in you and your vision. The book is an elementary guide where the intention is to help the reader enter into a pact with any angel, demon, or pagan god. This book doesn't hold all of the answers. It will, however, demand the reader to become a much more well-informed occultist, even just as a dabbler. This book will help point the reader in the right direction when working with these mysterious entities for money, sex, power, knowledge, and so much more. It'll also make the reader realize the heavy price that is to be paid to gain success. Will you be willing to pay such a price? Would you be ready to make such a deal with the Devil? It could cost you a soul or two. Lets shake on it!

Sex scandal rocks megachurch! Returning from a two-year mission trip in Mozambique, Trina Michaels plans to ignore the sensational headline that screams from the front page of the Washington Times. Her heart is still in Africa, the place that feels more like home than anywhere she's ever lived—and the place where the love of her life still is. Her dream of a quick return to Mozambique fades within hours when Trina discovers that her mother has been diagnosed with cancer. The cost of treatment is expensive, and Trina is forced to return to her career in public relations to pay for it. She is assigned a damage control client—the bishop whose church made headline news when an associate pastor and deacon were accused of sexually abusing young boys. To complicate matters, the young boys are now men, and one of them is married to Trina's best friend. Representing Bishop Walker could cost Trina her most valued friendship, her reputation, and a future with her new love. As she plows deeper into the scandal and the bishop blackmails her to cover the church's secrets and lies, Trina realizes it could cost her soul.
