mouse masha and numerous books collections from fictions to scientific research in any way. in the midst of them is this sib siberian mouse masha that can be your partner.

It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.
