something, but the “other side” didn’t hear it that way. That’s enough for a customer to walk away forever. That’s enough for a lawsuit. Because denying the experience of the other person doesn’t open the door for re-connection. Forward motion is possible if we can extend the sentence to, “That’s not what I meant, but that must be what you heard, how do we fix this?”

In THAT'S NOT WHAT I MEANT!, Dr. Tannen shows that growing up in different parts of the country, having different ethnic and class backgrounds, even age and individual personality, all contribute to different conversational styles. Entertaining and informative, this is an essential complement to psychological theories of human behavior.
