Julia Cameron has inspired millions with her bestseller on creativity, The Artist's Way. In The Artist's Way for Retirement, she turns her eye to a segment of the population that, ironically, while they have more time to be creative, are often reluctant or intimidated by the creative process.

~~The Artist's Way for Retirement, It's Never Too Late to ...~~

I first read Julia Cameron's The Artist Way back in the early 90s. I still have that original copy and freely admit how one part of it transformed my life for the better. Because of Julia, I started writing, by hand, three pages of random thoughts each and every morning and continue today nearly 25 years later.

~~Julia Cameron, Retirement, and The Creative Journey~~

'Most of us have no idea of our real creative height. We are much more gifted than we know. My tools help to nurture those gifts.' The Artist's Way movement began more than two decades ago and has now helped millions of people around the world to discover - and recover...
