In Mrs. Osmond, John Banville continues the story of Isabel Archer, the young protagonist of Henry James's beloved The Portrait of a Lady. Eager but naïve, in James's novel Isabel comes into a large, unforeseen inheritance and marries the charming, penniless, and--as Isabel finds out too late--cruel and deceitful Gilbert Osmond. Here Banville imagines Isabel's second chapter telling the story of a woman reawakened by grief and the knowledge that she has been grievously wronged, and determined to resume her quest for freedom and independence. A masterly novel of betrayal, corruption, and moral ambiguity, Mrs. Osmond would have thrilled James himself.

With her large legacy, Isabel travels to Italy and meets several dubious people interested in her wealth.

A revelatory biography of the American master as told through the lens of his greatest novel. Henry James (1843 – 1916) has had many biographers, but Michael Gorra has taken an original approach to this great American progenitor of the modern novel, combining elements of biography, criticism, and travelogue in re-creating the dramatic backstory of James ' s masterpiece, Portrait of a Lady (1881). Gorra, an eminent literary critic, shows how this novel—the scandalous story of the expatriate American heiress Isabel Archer—came to be written in the first place. Traveling to Florence, Rome, Paris, and England, Gorra sheds new light on James ' s family, the European literary circles—George Eliot, Flaubert, Turgenev—in which James made his name, and the psychological forces that enabled him to create this most memorable of female protagonists.
